ASSESSED PRODUCTS

WALLACHIAN BACON

Wallachian Bacon from Krásno uses an ancient recipe passed through generations of Wallachian master butchers. The fine smoking technique has developed for centuries and resulted in this unique delicacy evoking the harsh but also diverse life in the old Wallachia. Wallachian Bacon is made from selected side of pork carefully smoked according to the special recipe. The natural smoking process gives Wallachian Bacon its specific and unforgettable flavour. The flavour and the history of Wallachian Bacon earned this product the Czech premium-quality award Klasa.

WALLACHIAN MEAT SAUSAGE

Wallachian meat sausage is one of the MP Krasno, a.s. brand products. This traditional sausage is produced according to the time-tested recipes of old Wallachian butcher masters. It won lots of awards (KLASA, „Best Wallachian Sausage“, 1st place „King of Slovak Sausages “ etc.)

PARTY SAUSAGES

Sausages are some of the most flavoursome and popular smoked meat products. We have prepared for you Party Sausages typical for their golden brown colour and distinctive flavour achieved with smoking and a special mix of spices. Once heated, the sausages retain their slightly firm consistence due to the 86% content of high-quality meat. The party sausages are gluten-free.

KÁJA HAM

Krásno also focuses on the smallest customers. Our range of products for children newly includes ham named after the rascal pictured on the packaging. The special Kája Ham for children is free of gluten, contains up to 2% of salt and is suitable for children from 3 years of age. The meat content is 87%.

HUNGARIAN KRASNO

Excellent Hungarian paprika contributes to the perfect spicy flavour of this fermented sausage. It was awarded the title of „King of Paprika Sausage“

COUNTRY BRAWN

Pig slaughtering used to be one of the major annual events. As ancient recipes were passed through generations, we can now enjoy delicacies such as the Country Brawn. The product with an attractive oval shape is made of selected premium-quality ingredients.
